The 2nd annual Glow Run will be held on the evening of August 15th at Crossroads Park in Casper, WY. This race is put on by Wyoming Families for Hands & Voices and is to help raise awareness about hearing loss and hearing health. With the proceeds from the race we will purchase new hearing aids for a young individual from Wyoming.

This is a family friendly event! We will start activities/on-site registration at 6:00pm. Bring your family and enjoy dinner sold by the FFA Alumni (Future Farmers of America), ice cream from Schwan's, bouncy houses, face painting and much, much more! Don't forget to come out in your best glow in the dark outfit and glow sticks! Because when the sun goes down, we will start our fun run/walk along the Platte River walkway.

For more information or for sponsorship opportunities, please contact Kim Reimann at 277-4903 or Mashell Englet at 258-8681.
